

## Volunteers Required

### S.H.O.P. For You

#### (Supporters Helping Older People)

KPAIS is currently recruiting a small team of committed volunteers for an exciting new project, which will provide essential services to older people in Knowsley.

The *S.H.O.P. For You* project will offer older people support with a range of daily activities to enable them to maintain their independence, their health and their wellbeing.

KPAIS is looking for dedicated volunteers who want to make a difference in older people's lives by assisting them with their shopping, light cleaning, attending medical appointments and befriending services. As a volunteer, you choose which areas you would like to help with. If you have time to spare and you would like to commit to supporting an older person in your community, this may be the role for you.

If you are interested in this opportunity and you would like to know more, please contact KPAIS to arrange an informal chat about the project and the volunteer role.
